

# Pension Roadshow

**Saturday 13th January, 10am - 1pm**

**Bramhall Baptist Church, Woodford Road, Bramhall, SK7 1BQ**

If you have a pension liability to the DB Scheme these events are designed to inform you what is happening to address the current deficit in the Scheme and the potential impact it may have on your church.

The Roadshows have been put together by members of the Pensions Employers Group (EG) and they will share information on the 2016 actuarial valuation; dealing with individual church pension debts; the new draft employer debt regulations and what the EG calls, 'a family solution for a family problem'. The roadshows are very important because, says Malcolm Broad, Moderator of the EG, 'We want to hear from churches their views on what we are doing to help them, what more could we be doing as well as trying to ensure every church involved understands the situation we all face.'

For treasurers, deacons and ministers, actually anyone who is a trustee of a local church and member of the Baptist Pension DB Scheme.

Trustees may attend any event, even if it's not in your own Association.
