

# Messy<sup>®</sup> Church

## A Baptist Conversation

Thursday 18th October 10am—2.30pm

Hosted by Andrew Phillips, facilitated by Sandra Crawford

If you've been running Messy Church for a while, I wonder if you've come up with any questions?

I've been thinking...

- What does a Baptist Messy Church look like? Is it different from Methodist or Anglican Messy Church?
- Where do baptism, church membership, church meeting, discerning the mind of Christ, pastoral care, mission, fit into it?
- Is your Messy Church...a church or congregation? Will it ever be self-governing and/or self supporting?
- Does any of this even matter?

Come and join us for a conversation (that means I'm not coming with any answers!).

Let me know in advance what your questions are.

**Sandwich lunch included.**
