

# WAITING FOR THE PROMISE

a zoom retreat for leaders, Thur 6th May 10am-1pm

As we prepare for Pentecost, with its promise of the Holy Spirit, this is an opportunity to take time out to reflect on the many promises that God has made. Some have been fulfilled, and others we still wait for, but the waiting time is of profound importance. We will spend half the time together for input, worship and sharing. The other half will be spent on our own in whatever way is helpful (guidance sheets available)

Psalm 130:6 'I wait for the Lord,  
more than watchmen wait for the morning'

The retreat will be led by Andrew & Kath Dodd. To book:
